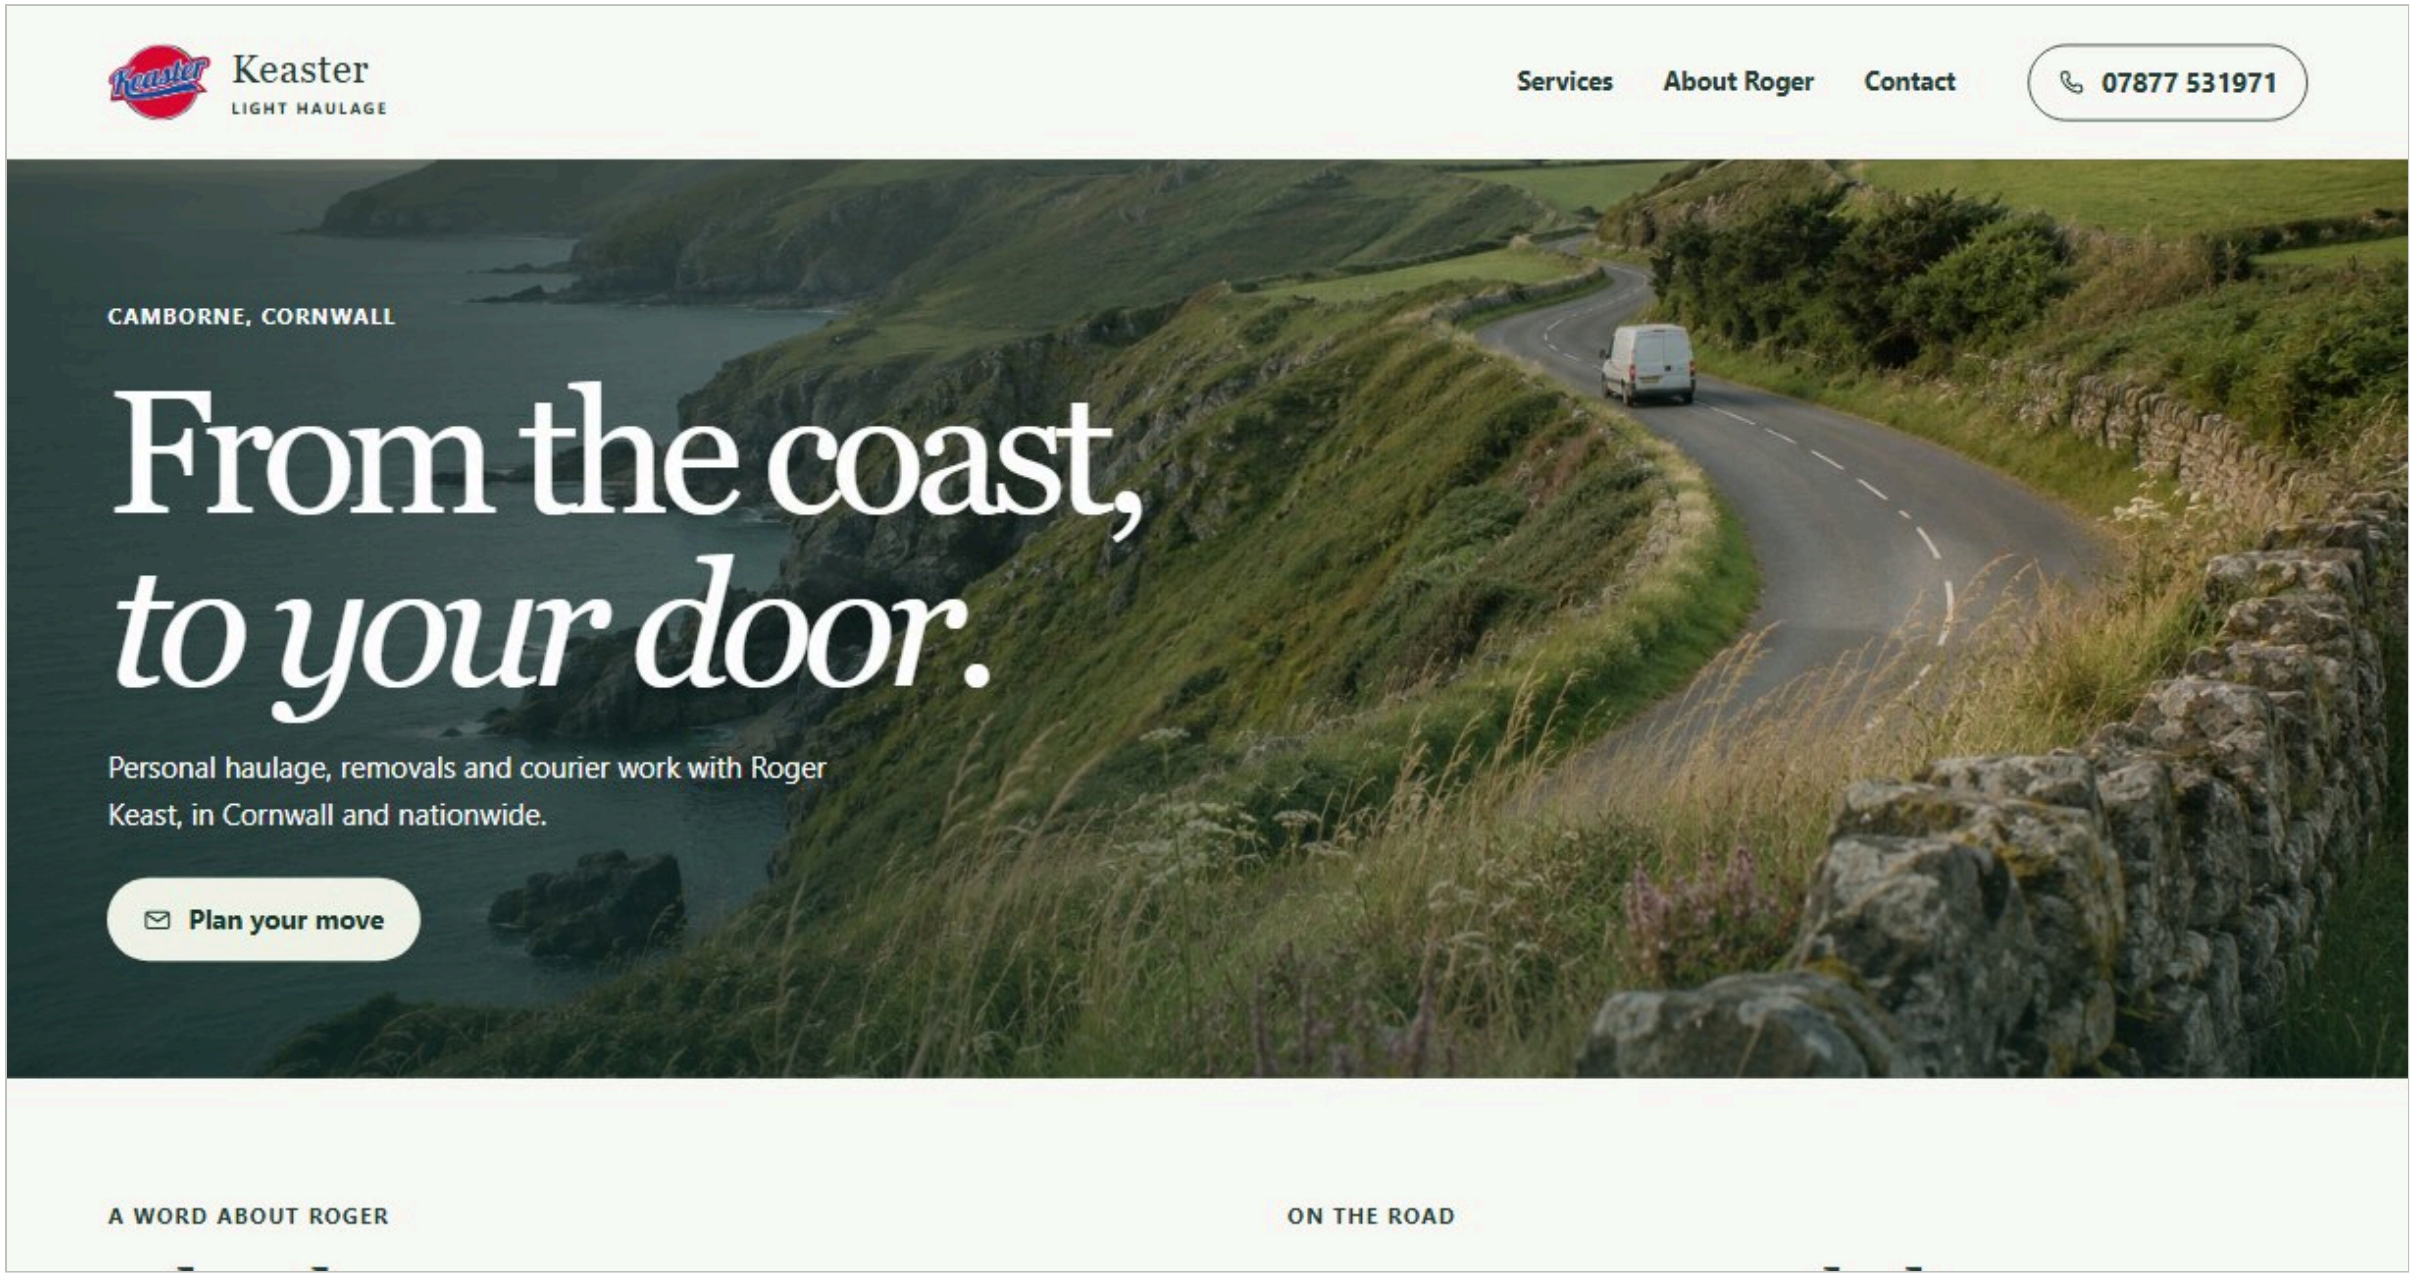
LIGHT HAULAGE ✦ HOME REMOVALS ✦ COURIER WORK ✦ CORNWALL & NATIONWIDE

Scarlet and navy lettering, a coastal van illustration and bold service panels give the business a distinctive roadside identity.

Coast

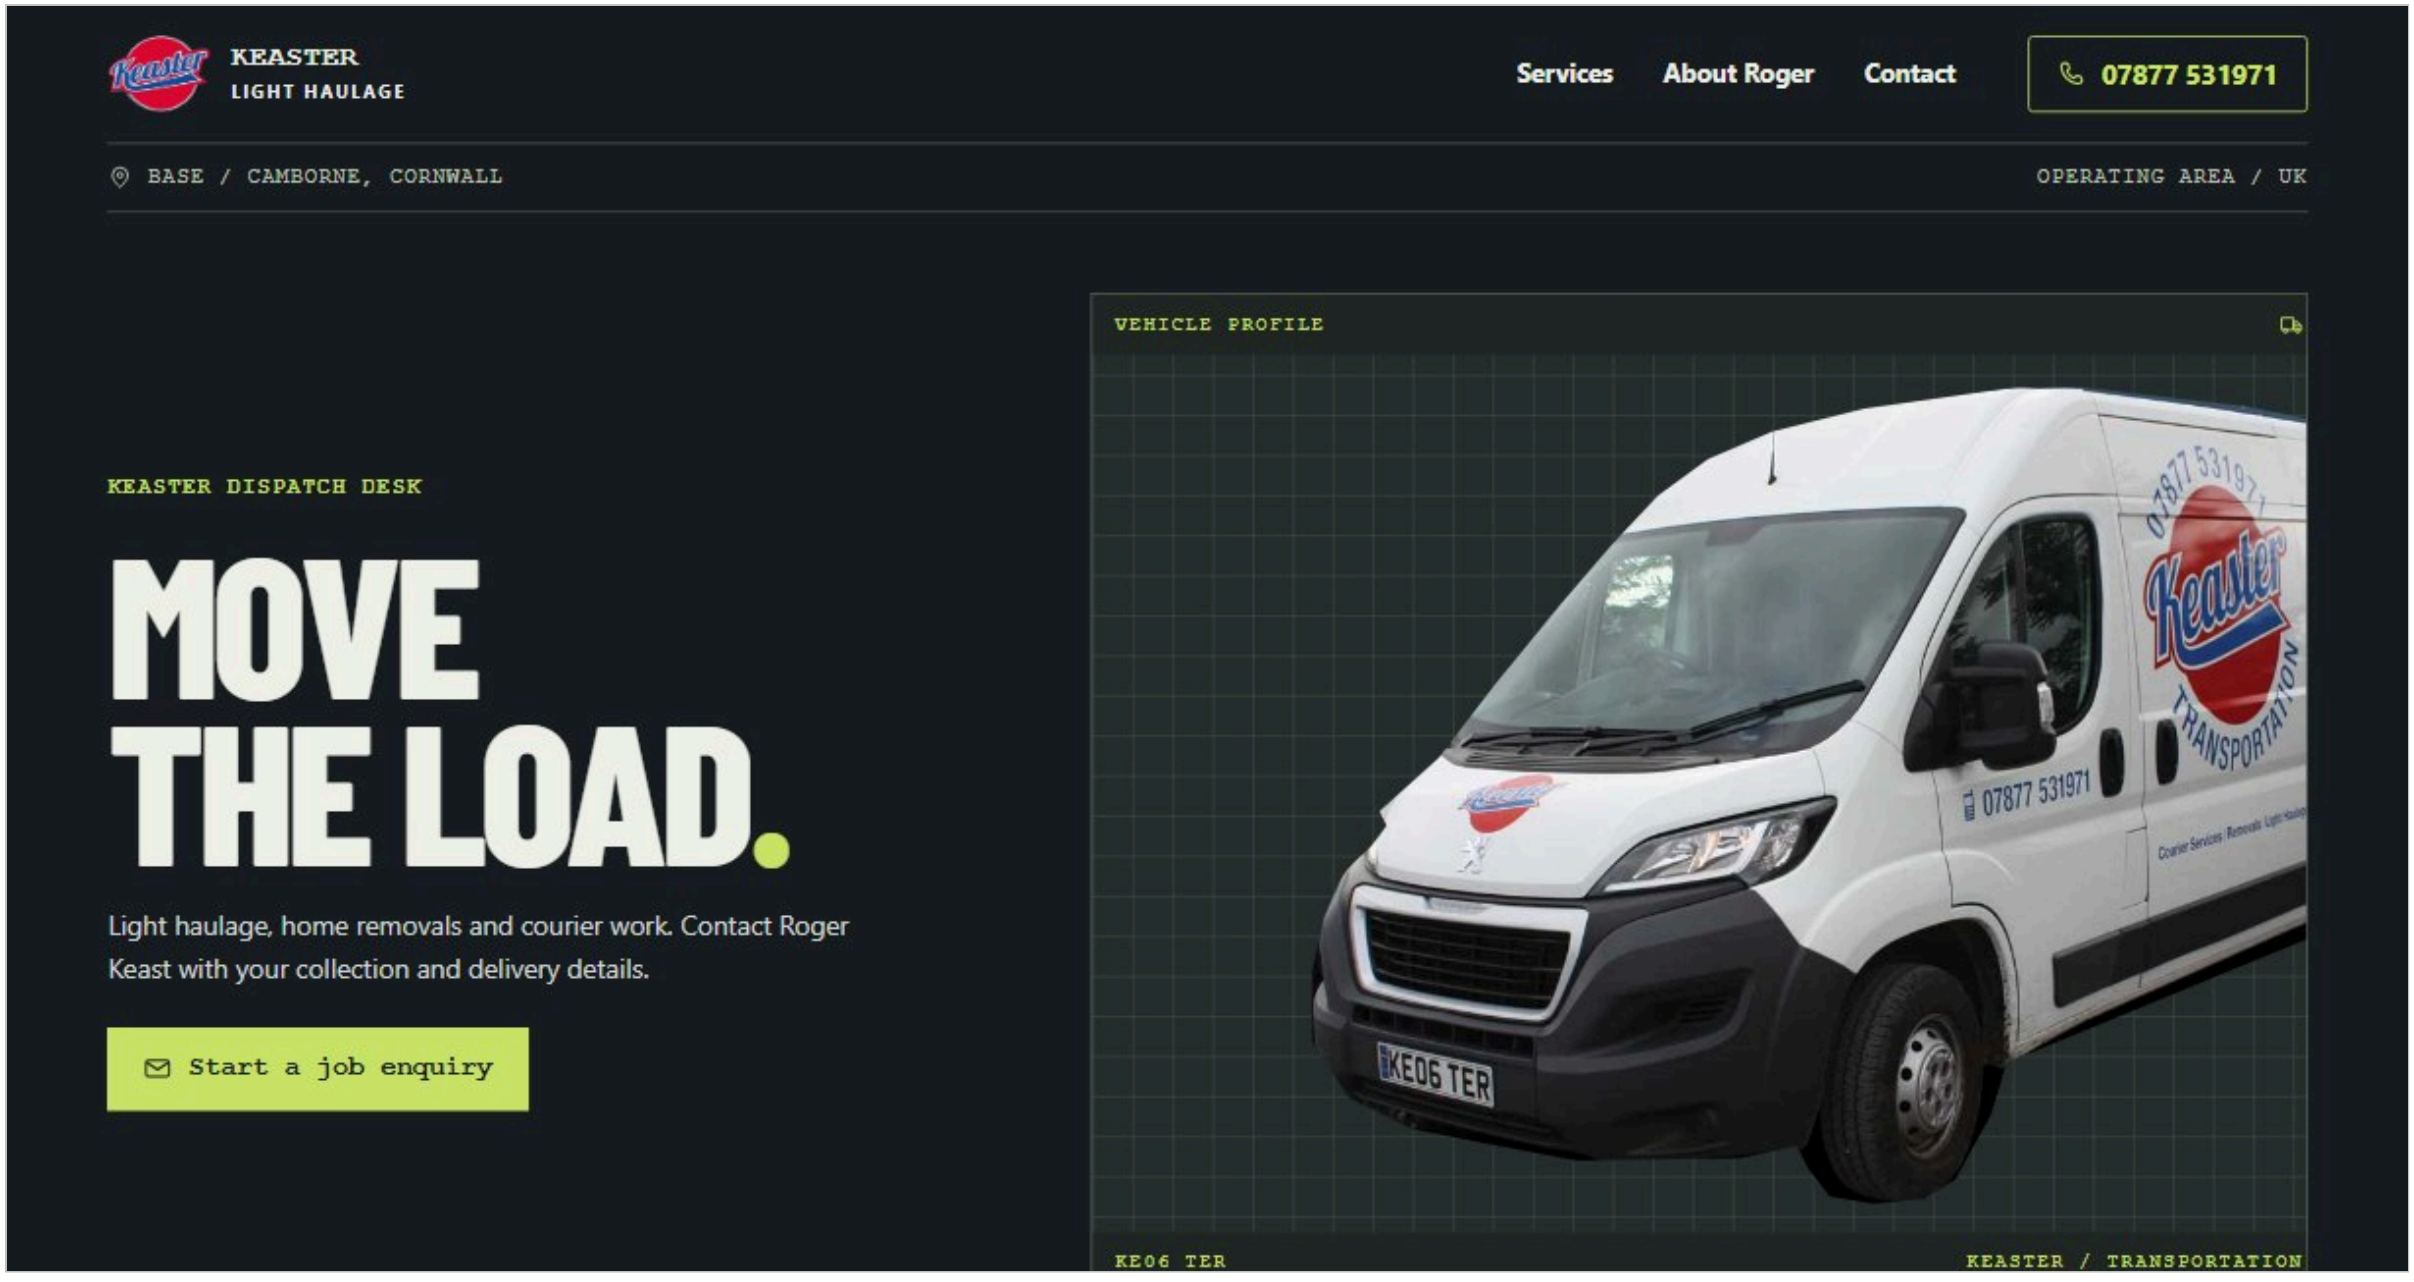
A quieter, landscape-led approach



A wide coastal scene and generous serif lettering put Cornwall first. A short introduction to Roger leads into the services.

Dispatch

A practical transport desk



Dark panels, a vehicle profile and a lime enquiry button put the job details first. Roger’s own KE06 TER van is the centrepiece.

Heritage

A traditional Cornish trade advertisement
